"There are few people who truly understand the disease of addiction and the attainability of recovery as well as Erica Spiegelman. Rewired is a must read for anyone seeking the essential internal tools to make recovery a reality."—**Robert L. Shapiro**, Attorney and Chairman, The Brent Shapiro Foundation for Alcohol and Drug Awareness

Just as addiction affects every part of one's life, so too must its treatment. **Rewired** presents a breakthrough approach to fighting addiction and self-damaging behavior—by addressing the whole self. Author and addictions expert Erica Spiegelman demonstrates that by helping to build a healthy space to support one's own recovery, one can rewrite the negative behaviors that result in addiction. **Rewired** describes a holistic approach, helping to create a personalized treatment plan that is right for each person and usable in conjunction with or in place of 12-step programs.

Erica Spiegelman is an author, recovery and wellness specialist, and motivational speaker who works with individuals, couples, and families on personal growth and overall wellness. Erica is a California State Certified Drug and Alcohol Counselor (CADAC)-II from UCLA. Rock Stars **By Matt Mason**

Witty, nostalgic, rhythmic and forlorn, Matt Mason's poetry calls on the classic rock music that shaped him. Mason laments on his childhood in the 80s and addresses the graduating preschool class of 2023, as he takes us on the coming-of-age road trip of a lifetime. An ode and ovation to what our ears taught us before we knew what to say, *Rock Stars* riffs on all things music, poetry, sports, and more.
